Simla, the 19th July, 1913.

In exercise of the powers conferred by sections 27 and 39 of the Indian Life Assurance Companies Act, 1912, the Governor General in Council is pleased to make the following rules :—

Short title. 1. These rules may be called the Indian Life Assurance Companies Rules, 1913.

Definitions. 2. In these rules, unless there is anything repugnant in the subject or context,—

(*a*) "the Act" means the Indian Life Assurance Companies Act, 1912;
(*b*) "Company" means a Life Assurance Company to which the Act applies;
(*c*) "dividing society business" means life assurance business under which the amount payable on the policy money becoming due is not fixed but depends either partly or wholly on the results of the division of any portion of the premium income or funds amongst the policies which have become due for payment in proportion to the premiums received under such class in any specified period.

Qualifications of Actuaries under the Act. 3. (*1*) Any person who, as an Actuary, investigates the financial condition of a Company or signs valuation returns of a Company shall be either—

(1) a Fellow of the Institute of Actuaries, London, or a Fellow of the Faculty of Actuaries in Scotland; or

(2) where application is made by a Company and where, in the opinion of the Governor General in Council, special circumstances exist,—
(*a*) an Associate of such Institute of Actuaries or of such Faculty of Actuaries; or
(*b*) such other person having actuarial knowledge as the Governor General in Council may authorize to be employed to perform the duties of an Actuary.

(*2*) Every application by a Company for permission to employ as an Actuary any person other than a Fellow of the Institute or Faculty of Actuaries shall state the work for the performance of which such person is required, and the Governor-General in Council, if he grants the application, shall cause a certificate to be issued to the Company permitting, subject to such conditions and restrictions as he thinks fit, the employment of the person mentioned in the application.

Accuracy of particulars. 4. An Actuary when investigating the financial condition of a Company shall either satisfy himself as to the accuracy of the particulars extracted from the books or require a certificate of their accuracy from the Manager and one other responsible officer of the Company.

Particulars to be given in report of Actuary.
